

## PURPOSE

*Super Nano Antirust Marine is a unique corrosion prevention spray for the marine purposes. It serves as a waterproofing spray that helps to prevent moisture from damaging all kinds of metal surfaces in boats and helps to completely displace any type of moisture (dampness, humidity, fog, rain, acid rain, chlorinate water, salt water etc.). Best marine anti-rust treatment that helps to protect external and internal metal surfaces of boats, sailboats, jet skis, and many more from any kind of aggressive action that causes corrosion.*

## PROPERTIES

*The corrosion prevention spray has high adhesion to metals and other materials. Nanoparticles penetrate deep into a structure of the applied surface to displace moisture, remove oxides, and stop corrosion or prevent it from occurring in the first place. The product does not lose its properties at the temperature range from - 80°C to +160°C. It is harmless on all materials and can penetrate into hard-to-reach spots. The product can be applied on wet surfaces. The anti-rust spray maintains its elasticity for a long time.*

## APPLICATION AREAS

*Steel rigging, propeller, anchor roller, anchor, hatches, metal cables, boat ladders, flanges and all threaded connections (staples, hooks, swivels, turnbuckles, hinges), boat trailer, and the like.*

## MARINE SUPER NANO ANTIRUST

150ml

### PURPOSE

*Super Nano Grease Marine is a unique Nano lubricant that penetrates, lubricates and protects for a long time like no other regular lubricant. An invisible nano-coating guarantees to stop squeaking and protects from wear and tear for a minimum of 1 year. It is recommended to use the product for any movable mechanisms. The product significantly prolongs the life of movable mechanisms used in household and garden applications.*

### PROPERTIES

*Nanoparticles penetrate into the structure of the applied surface, displace moisture, stop squeaking, and build a coating that reduces friction and wear. The product does not lose its properties at the temperature range from -80°C to +160°C. It is harmless on all materials and can penetrate into hard-to-reach spots. The product can be applied on wet surfaces and it maintains its elasticity for a long time.*

### APPLICATION AREAS

*Boat trailer bearings, fifth wheel connections, outboards, Ttrailer chassis centralized lube applications. Works great for pumps, winches, and landing gear. Perfect for marine use outboards and lower units.*

## MARINE SUPER NANO GREASE

75ml / 150ml

## PURPOSE

*Super Nano Electric Marine is unique in complete displacement of moisture. The product prevents current leakage and insulation breakdown. An invisible nanocoating protects marine electrical equipment and devices even when they are exposed to water. The product provides a powerful protection for at least 1 year and significantly prolongs the life of electrical marine devices and equipment.*

## PROPERTIES

*Super insulation builds a long-life protection from all kinds of moisture. Nanoparticles penetrate into a structure of the applied surface, displace moisture, and remove oxides. It instantly restores insulation resistance and significantly improves current conductivity. The product penetrates into hard-to-reach spots and can be applied on wet surfaces. Super Nano Electric Marine maintains its elasticity for a long time and it is harmless on all materials.*

## APPLICATION AREAS

*Battery terminals, generator, sensors, marine lighting, electrical contacts and connections of all kind, controllers and the like.*

# MARINE SUPER NANO ELECTRIC

150ml

### PURPOSE

Cleaning solution for glass, mirrors, monitors, and instrument panels in jet skis, motor boats, sailboats, barges, liners, ferries, container ships, etc.

### PROPERTIES

Cleans all dust and grime in few seconds. Does not leave streaks or haze. Super Nano formula penetrates under the dirt layer and forms an invisible coating with hydrophobic effect on the surface. It repels dirt, dust and water improving appearance and adding lasting shine and clarity. Significantly reduces cleaning and polishing time. No special equipment required. Has a refreshing fragrance.

**REMOVES DIRT, GRIME AND INSECTS TRACES**

**DOES NOT LEAVE ANY STREAKS OR HEZE**

**REPELS DUST AND WATER**

## WINDOWS & MIRRORS CLEANER MARINE SUPER NANO CLEANSER

**750ml bottle with Super Nano Cleaner,  
special surer cloth for glass, one-off gloves**
